Dear Tom:

It is my understanding that the U.S. EPA's sampling work at the above-referenced site has been completed. I would appreciate receiving copies of any analytical data, sampling results or written summary reports relating to the investigation as soon as they are available, in accordance with the Agency's obligations under Section 104(e)(4)(B) of CERCLA.

Thank you in advance for your assistance.

Sincerely,

Michael J. Hughes
